

**DocIGroup Hires ECM Industry Veteran**  
Michael Gaudino joins firm as Sales & Marketing Director

**Allendale, NJ — February 6, 2009** — Document Imaging Group Inc. (DocIGroup), a leading integrator of enterprise content management solutions, is pleased to announce the addition of Michael R. Gaudino, as Vice President of Sales & Marketing.

In this role Michael is responsible for expanding customer relationships, increasing market share, and growing the sales force. He will become an integral part of the DocIGroup technology advisory council, providing important industry know-how and strategic direction to the company.

"We are very pleased with the addition of Mike to our executive team and the proven experience he brings to our sales & marketing efforts," stated Jonathan Roth, President of DocIGroup. "We continue to invest in our company with new products, alliances and team members, and the contribution of Mike's skills, knowledge and contacts, will help DocIGroup to further grow our business opportunities."

Gaudino is ideally suited to spearhead DocIGroup's sales initiatives, bringing more than 15 years of sales and management experience to the position. He spent the last eight years at Böwe Bell + Howell as the Northeast Regional Sales Manager, servicing clients in every vertical category, including healthcare, insurance, finance and government.

Prior to joining Böwe Bell + Howell Scanners, Gaudino worked as a hospital account executive with pharmaceutical manufacturer, Pfizer, where he oversaw sales and support for many blockbuster medications.

**About Document Imaging Group, Inc.**

Document Imaging Group, Inc. (DocIGroup for short) is the Northeast's premier integrator of technology solutions and services that dramatically cut data entry and paper costs for companies. With special expertise in Document & Data Capture, ECM Workflow and Microsoft SharePoint, DocIGroup clients often see a positive return on investment within the first year, from startups to corporate leaders in the financial, pharmaceutical and high-tech industries. The privately held company, headquartered in Allendale, New Jersey, is managed by a seasoned group of executives with more than 40 years of document imaging, system integration and business process reengineering experience.
